# MODify

Retail Merchandising System

*Welcome to* **MODify**<sup>™</sup>.

The MODify<sup>™</sup> collection of retail displays is a one-of-a kind system that incorporates SEG push-fit fabric graphics, which enable you to brand, promote and merchandise with ease! The premise of MODify is to do just that...modify with graphics, accessories and furniture.

# What's so *great* about MODify™?

## ULTIMATE *flexibility.*

### *Silicone Edge Graphics (SEG)*

Unlike any other Retail Merchandising System in the marketplace, MODify incorporates **SEG push-fit fabric graphics**, enabling you to design and replace graphics improving the longevity and value of your structure.

### *Quick ship*

**7 days or less for most fixtures!**

### *Easy to modify*

**with graphics and accessories.**

### *Simple assembly*

**Associate level install.**

# It's Nice to Have Options!

**MODify™** enables you to look different and stand out from the rest, while providing lifetime value and immense flexibility.

## Graphics

Vibrant, SEG push-fit fabric graphics offer the flexibility to incorporate any color, pattern, brand or message.

## Colors

Frames are offered in your choice of color.

white

black

silver

Easy fabric graphic install & changeout!

## Accessories

Shelves, waterfall and faceouts can be mixed and matched.

# It's as Easy as 1, 2, 3...

## 01 pick your Base

Choose the kit you like & imagine the branding and messaging you can incorporate on the graphics! Choose from three color finishes for the kit - white, black or silver.

white

black

silver

## 02 design your Graphics

The SEG push-fit fabric graphics allow you to incorporate any fabric color, texture (even woodgrain!) pattern, message or brand. Easily change for different messages and for the change of seasons!

## MODify! *rinse. wash. repeat.*

New season, new brand, new look? Print new graphics and add different accessories to support your merchandising needs.

## 03 accessorize

Accessorize with shelves, hang bars, slatwall hooks, faceouts, waterfalls, towel bars and more. Mix and match and maximize value.

## 04 merchandise

Decorate with merchandise and start to sell!

**QUICK SHIP &  
SIMPLE ASSEMBLY.

## What's so *great* about MODify™?

- Superior, **vibrant** SEG push-fit fabric graphics.
- Turnkey - **7 days** for most displays!
- Simple assembly - associate level install.
- Three color options: White, Black, and Silver.
- Easy to MODify with shelves and fixtures.
- Frames & graphics are **made in North America**.
- Remarkable quality! Lifetime frame warranty and **easy graphic changeout**.
- Customized retail displays available!

# BLAZE

## SEG Light Boxes

## Introducing **BLAZE™**.

The word says it all! Blaze SEG Light Boxes are the ultimate in vibrancy, quality and durability. Blaze Light Boxes add life, color and illumination to corporate interiors, retail stores and restaurants, and they make brands come to life at events and tradeshows.

## What's so *great* about **BLAZE™**?

*No shadowing*

Unlike most other Light Boxes, BLAZE has **full perimeter lights**, virtually eliminating shadowing!

*Simple  
assembly*

**Associate  
level install.**

*Longevity*

**5 year lighting  
warranty  
& lifetime frame  
warranty.**

*Quick  
ship*

**3 days or less!**

# Highlighting Blaze

Blaze SEG Light Boxes are designed to help you attract, captivate and impress. Whether the graphics are feature artwork, or promote products and brands, Blaze SEG Light Boxes will bring to life through frame, lights and fabric.

## Frame

- wall: 4" depth
- freestanding & hanging: 6" depth
- your choice of White, Black or Silver
- lifetime frame warranty
- UL Certified
- ADA compliant sizing, approved for public spaces
- engineering stamps for Hanging Blaze available upon request
- made in North America

## Superior Lights

- light bars feature an **internal power supply**, which means no separate power supplies within the frame.
- perimeter lights are pre-attached to the frame
- UL Certified
- long life span—43,800 hours for 5 years if powered 24/7
- 5 year LED warranty

## Vibrant SEG Graphics

- your choice of materials: Backlit Textile (dye-sublimation printed) or Intensity (UV/LED printed)
- Backlit Textile is a tightly woven fabric that is slightly stretchy, foldable and washable; it is best for multiple uses.
- Intensity is a material that has a smooth, coated finish. The double-strike process creates vibrant backlit graphics.
- graphics printed & finished with state-of-the-art equipment
- superior color vibrancy, quality and fit

# BLAZE™ *Wall Mounted Light Boxes*

*Long-lasting investment!*

## *Details*

- 4" light boxes feature a sleek, aluminum frame, available in white, black or silver
- perimeter LED light bars are pre-attached to the frame
- light bars feature an internal power supply, which means no separate power supplies within the frame
- simple assembly; comes with hanging hardware
- UL Certified & ADA compliant sizing, approved for public spaces
- 5 year LED warranty on lights; long life span - 43,800 hours for 5 years if powered 24/7
- lifetime warranty on frame
