iPad

Cord Access

Attach iPad Cord to supplied USB Extension Cord. Feed USB Cord through top hole of Post, then out bottom hole of Post. Connect to Power.

SETUP INSTRUCTIONS

General Setup Instructions

- Read entire setup instruction manual prior to unpacking parts and pieces.

- The setup instructions are created specifically for this configuration.

- Setup instructions are laid out sequentially in steps, including exploded views with detailed explanation for assembly.

Cleaning & Packing

- For Cleaning Metal, Plex, & Laminate Parts: Use a **MILD NON-ABRASIVE** cleanser and soft cloth/paper towel to clean all surfaces.

- Keep exhibit components away from heat and prolonged sun exposure. **Heat and UV exposure will warp and fade components.**

- Retain all provided Packing Materials. All provided packing materials are for ease of repacking & component protection.
Disassembly

- For loss prevention, tighten all setscrews and locks during disassembly
Hex Tool - Essential for Assembly
Part Identification - Numbering
